## REPORT TO THE MEMBERS ON REVIEW OF INTERIM FINANCIAL INFORMATION

### *Introduction*

We have reviewed the accompanying unconsolidated condensed interim statement of financial position of Pakistan Kuwait Investment Company (Private) Limited as at 30 June 2013 and the related unconsolidated condensed interim profit and loss account, unconsolidated condensed interim statement of comprehensive income, unconsolidated condensed interim statement of changes in equity, unconsolidated condensed interim cash flow statement, and notes to the accounts for the six month period then ended (hereinafter referred to as the "interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review. The figures of the condensed interim profit and loss account and condensed interim statement of comprehensive income for the quarters ended 30 June 2013 and 2012 have not been reviewed, as we are required to review only the cumulative figures for the half year ended 30 June 2013.

### *Scope of Review*

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### *Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

## Notes to the Unconsolidated Condensed Interim Financial Statements (Un-audited)

For the half year ended June 30, 2013

### 1. STATUS AND NATURE OF BUSINESS

- 1.1 Pakistan Kuwait Investment Company (Private) Limited ("the Company") was incorporated in Pakistan as a Private Limited Company on March 17, 1979. The registered office is situated at 4th Floor, Block 'C', Finance and Trade Centre, Shahrah-e-Faisal, Karachi. The Company has one representative office in Lahore. The Company is a 50:50 joint venture between the Governments of Pakistan and Kuwait. The objective of the Company is to profitably promote industrial investments in Pakistan.
- 1.2 The Company has a 100% owned subsidiary, First Choice Securities Limited (FCSL). FCSL principal business includes equity brokerage, commodity brokerage, equity research and corporate advisory services. FCSL has not started its operations.

### 2. BASIS OF PRESENTATION

- 2.1 These unconsolidated condensed interim financial statements have been prepared based on the format prescribed by the State Bank of Pakistan (SBP) vide BSD Circular Letter No. 2, dated 12 May 2004, BSD Circular letter No. 07, dated 20 April 2010 and IAS 34 "Interim Financial Reporting" and do not include all the information required in the annual financial statements. Accordingly, these unconsolidated condensed interim financial statements should be read in conjunction with the annual financial statements of the Company for the year ended December 31, 2012.
- 2.2 These unconsolidated condensed interim financial statements are separate financial statements of the Company in which investments in subsidiary and associates are accounted for on the basis of direct equity interest.

### 3. STATEMENT OF COMPLIANCE

- 3.1 These unconsolidated condensed interim financial statements have been prepared in accordance with the requirements of International Accounting Standard 34 - "Interim Financial Reporting" as applicable in Pakistan, provisions of and directives issued under the Companies Ordinance, 1984 and the directives issued by SBP. In case directives requirements differ, the provisions of and directives issued under the Companies Ordinance, 1984 and directives issued by the SBP have been followed.
- 3.2 The SBP through its BSD Circular letter No. 11 dated September 11, 2002 has deferred the implementation of IAS 39 'Financial Instruments: Recognition and Measurement' and IAS 40 'Investment Property' for Non-Banking Financial Institutions (NBFIs) in Pakistan. Further, SECP has deferred the implementation of IFRS 7 'Financial Instruments: Disclosures' through SRO 411(1)/2008. Accordingly, the requirements of these International Financial Reporting Standards (IFRSs) and their respective interpretations issued by International Financial Reporting Interpretations Committee (IFRIC) and Standing Interpretations Committee (SIC), have not been considered in preparation of these financial statements. However, investments have been classified and valued in accordance with the requirements of various circulars issued by the SBP.

### 4. ACCOUNTING POLICIES

The accounting policies adopted in the preparation of these unconsolidated condensed interim financial statements are consistent with those applied in preparation of financial statements for the year ended December 31, 2012 except as follows:

#### **New, Amended And Revised Standards And Interpretations of IFRSs**

The Company has adopted the following new amended IFRS which became effective during the period.

IAS 1 – Presentation of Financial Statements – Presentation of items of other comprehensive income (Amendment)

IAS 19 – Employee Benefits – (Revised)

*Improvements to various standards issued by IASB (2009-2011 cycle)*

IAS 1 – Presentation of Financial Statements – Clarification of the requirements for comparative information

IAS 16 – Property, Plant and Equipments – Classification of Servicing equipment

IAS 34 – Interim Financial Reporting – Interim Financial Reporting and Segment Information for Total Assets and Liabilities

The adoption of the above revision, amendments, improvements and interpretation of the standards did not have any effect on the financial statements, other than the amendments to IAS 19 'Employees Benefits' as described in 4.1.

Further, certain new standards have been issued by IASB which are effective for accounting periods beginning on or after 01 January 2013 but are yet to be notified by the SECP for the purpose of applicability in Pakistan.

#### 4.1 Change in accounting policy

Amendments to IAS 19 range from fundamental changes to simple clarification and rewording. The significant changes to IAS 19 include the following:

- For defined benefit plans, the ability to defer recognition of actuarial gains and losses (i.e., the corridor approach) has been removed. As revised, actuarial gains and losses are recognized in other comprehensive income when they occur. Amounts recorded in profit and loss are limited to current and past service costs, gains or losses on settlements, and net interest income (expense). All other changes in the net defined benefit asset (liability) are recognized in other comprehensive income with no subsequent recycling to profit and loss.
- The distinction between short-term and other long-term employee benefits will be based on the expected timing of settlement rather than the employee's entitlement to the benefits.
- Objectives for disclosures of defined benefit plans are explicitly stated in the revised standard, along with new or revised disclosure requirements. These new disclosures include quantitative information regarding the sensitivity of the defined benefit obligation to a reasonably possible change in each significant actuarial assumption.

This change in accounting policy has been accounted for retrospectively as required under International Accounting Standard – 8 'Accounting Policies, Changes in Accounting Estimates and Errors', and the comparative financial statements have been re-stated.

The effects of the retrospective application of the change in accounting policies are as follows:

	December 31, 2012 (Rupees in '000)
Increase in the staff retirement gratuity	(11,918)
Increase in deferred tax asset	4,171
Net decrease in equity	<u>(7,747)</u>
	June 30, 2012 (Rupees in '000)
Decrease in other comprehensive income (OCI) for the period	<u>725</u>
There is no change in the unconsolidated condensed interim profit and loss account	

#### 5. FINANCIAL RISK MANAGEMENT

The financial risk management objectives and policies are consistent with those disclosed in the financial statements of the Company for the year ended December 31, 2012.
