(Rupees in '000)		
Direct credit substitute – guarantee issued	<u>-</u>	<u>1,550</u>

12.2 Other contingencies

The Income Tax Department has amended the deemed assessment orders for the tax year 2004 to 2009, raising a tax demand (including levy of Workers' Welfare Fund) of Rs. 1.465 billion, mainly due to additions in respect of allocation of expenses against exempt capital gains and dividend income subject to tax at reduced rate.

The tax department has not accepted the holding company's contention on the matter of allocation of expenses on exempt capital gains and dividend income for the tax years 2004 to 2009. The total additions made in tax years 2004 to 2009 under this head amounts to Rs. 3.091 billion.

In tax year 2003 same issue has been set aside by the Income Tax Appellate Tribunal (ITAT), with direction to the tax authorities that the allocation of financial cost has to be made by taking into account the 'cost of investment' rather than 'gross turnover'. Further the holding company has made representation before Federal Board of Revenue for necessary clarification and has also referred the above matter to Alternate Dispute Resolution Committee (ADRC), a mechanism available to provide an opportunity to tax payer for an easy and efficient resolution of dispute.

An appeal has been filed with the Commissioner of Income Tax (Appeals) for the tax years 2004 to 2009. The holding company has already made provision of Rs. 618 million on that issue against the demand for the above-mentioned years based on cost of investment. The management is confident that the ultimate outcome of the appeal would be in favor of the holding company inter alia on the basis of the advice of the tax consultants and the relevant law and the facts.

12.3 Other commitments
